We now have a Facebook page "McClures in Brazil" where we will be posting prayer requests and updates from our work in Brazil. Please like and join our page.

Thank you for your prayers for Dean's health. For the past two months we have been in the States. Dean was diagnosed with NAFLD just after Fathers Day. He has been to the ER 3 times, had fluid drained from his abdomen twice. Our primary physician is retiring and we have been unable to get a referral to a GI doctor. After praying about this we made the decision to fly back to Brazil July 17th. By talking with his cardiologist there, we were able to get an appointment with a GI doctor for the day after we arrive. Once again we are asking for prayer: prayer for a safe trip home, for wisdom for our doctors, for the best prognosis and strength only He can give us.

In every thing give thanks: for this is the will of God in Christ Jesus concerning you. 1 Thessalonians 5:18
