

The Nislys // 1st Quarter 2023

Furlough Update

At the start of 2023 our family began reporting back to churches and strengthening our partnerships with supporters. We have also had opportunities to visit new churches that we pray will yield new partnerships for our ministry in the Philippines. We have been greatly encouraged by our time catching up with our supporters and enjoy this time of travel and fellowship. So far our travels have taken us to Missouri, Kansas, Iowa, Oklahoma, and Texas.

We still have a full schedule ahead of us after Easter until we head back to the Philippines in July. Pray for safety in our travels and for continued provision and new connections as we enter the second half of our stateside furlough.

Winter Fun

Although it has been quite a bit colder than we are used to in the Philippines, Desmond and Amelia have enjoyed the experiences of winter during our time in the U.S.
