Return to the Philippines

As I write this update, our family prepares to fly back to Manila, Philippines tomorrow morning, July 12. We have been blessed so much by our six months in the U.S., seeing family and friends, catching up with and reporting to our supporting partners, and raising support for our ministry. During our time back we visited 28 churches in 24 weeks, including 23 supporting churches and 5 new churches, driving 18,500+ miles through 12 states! It was a busy furlough!

But we are eager to return home. Please pray for the following areas in the coming days and weeks:

- Pray for safe travels for our family while we are in transit on July 12-14 and an easy re-entry and adjustment back to the Philippines.
- We have been raising money to purchase a new vehicle for awhile now, and many of you have contributed to that need. As we arrive, pray that we would find a vehicle that meets our needs and our budget quickly.
- We are so thankful for Desmond and Amelia's excitement to return home to the Philippines. Pray for them as they adapt to this transition and prepare for the coming school year, and for Nikki and I as we prepare to jump back into teaching face-to-face.

- Pray for Jordan as he resumes responsibilities serving alongside the other pastors at LifeHouse Church, and for our family as we minister to our brothers and sisters in Christ.
